

APPLICATION FORM

Start-up Slams

Application for the “Start-up Slams” is free of charge and open to all **young companies or companies in creation** (and particularly start-ups seeking to raise a seed or a series A financing round) which have an innovative therapeutic product/technology to present.

Jury & Selection:

- Applications will be reviewed by a jury of experts according to the following criteria: Strength of the team, potential of the start-up, interest of use regarding the market, competitive advantages, IP strategy and business model.
- All candidates will be informed if they have been selected or not in due time (approximately one month before the event).
- Selected candidates will have a 5-minute pitch during the pitch session and will also benefit from advice and feedback from experts.
- Selected candidates will also benefit from a meeting space during the event.
- The most innovative start-up(s) will be awarded by the BioFIT jury.

IMPORTANT:

Applications which fail to conform to the Eligibility and/or Terms & Conditions will not be processed.

- To apply, please note that you must [be registered for BioFIT](#).
- Only type-written, complete applications will be processed.
- Please follow the instructions regarding the word numbers.
- Applications must be completed in [English](#).
- Applications must be received by email by [September 30th, 2021](#).
- By applying, the applicant agrees that [certain information may be published on the BioFIT website and/or in the final programme](#).

**This application form must be returned by e-mail to a member of the BioFIT team
by September 30th, 2021**

If you are not in contact with someone, please send your application form to:
