

## Animal Health Presentation – Application form

Home » Animal Health Presentation – Application form

Please note that you can save your online application and continue to fill in it later.

A unique link will be shared with you if you “save to continue later”.

The organisers do not have access to this unique link.

### GENERAL INFORMATION

#### Contact of the applicant *(Required)*

First name

Family name

Position *(Required)*

Email address *(Required)*

Phone number *(Required)*

Country *(Required)*

If you are selected, are you the pitcher on the D-day? *(Required)*

- ☐ Yes  
☐ No  
☐ I don't know

The following information will be published on the BioFIT website and/or on the final programme

Project category / Therapeutic area *(Required)*

Scope of the project *(Required)*

- ☐ Pharmaceutical  
☐ Diagnostic product  
☐ Biological  
☐ New therapies  
☐ Medical devices  
☐ e-Animal Health

Project development stage *(Required)*

- ☐ Stage 1 : ideas and concepts  
☐ Stage 2 : POC in vitro  
☐ Stage 3 : POC in vivo  
☐ Stage 4 : candidates produced at medium scale

Title of your technology/project *(Required)*

Keyword #1 *(Required)*

Keyword #2 *(Required)*

Keyword #3 *(Required)*

Organisation name *(Required)*

Website (if existing)

Investors / Laboratories involved *(Required)*

### TECHNOLOGY

Type of technology *(Required)*

- ☐ Pharma / Biotech product  
☐ Diagnostic product  
☐ Enabling technology (discovery tool, clinical development tool, drug delivery, formulation...)

Description of your innovation and the problem(s) that your asset/technology solves *(Required)*

0 of 1600 max characters

### Download

Summary of your main experimental results *(Required)*

0 of 800 max characters

What are the applications for your asset/technology? *(Required)*

0 of 800 max characters

How is your asset/technology innovative? *(Required)*

0 of 800 max characters

State of the art/Which is already existing on the market *(Required)*

0 of 800 max characters

TRL - Technology Readiness Level -

Please select *(Required)*

- ☐ Experimental proof of concept (TRL 3)
- ☐ Technology validated in lab (TRL 4)
- ☐ Technology validated in (industrially) relevant environment (TRL 5)
- ☐ Technology demonstrated in (industrially) relevant environment (TRL 6)
- ☐ System prototype demonstration in operational environment (TRL7)
- ☐ System complete and qualified (TRL8)
- ☐ Current system proven in operational environment (TRL9)

IP

Please select & specify *(Required)*

- ☐ Patent application
- ☐ Software
- ☐ Trade secret
- ☐ Other

MARKET

Market size (number of customers and target market potential) *(Required)*

0 of 800 max characters

Competitors

N/A or 800 characters maximum

0 of 800 max characters

## TRANSFER AND PARTNERSHIPS

Type of partnership sought (license, cooperation...) *(Required)*

0 of 800 max characters

Type and profile of partners sought / of interest *(Required)*

0 of 800 max characters

Pre-existing partners

N/A or 800 characters maximum

0 of 800 max characters

WARNING: Some fraudulent companies are supposedly providing the attendees list of BioFIT. And some are posing themselves off as being BioFIT organisation members and asking you to pay. Please note that the BioFIT team will never sell you the BioFIT attendees list and never ask for your bank account details to make you pay for hotel bookings, exhibition fees or others, and certainly not over the phone. Please be extremely vigilant.
